### Week #2

**Abram listened to God. Test your listening skills with a game of "Simon Says".** One person is designated Simon, the others are the players. Standing in front of the group, Simon tells players what they must do. However, the players must only obey commands that begin with the words "Simon Says."

If Simon says, "Simon says touch your nose," then players must touch their nose. But, if Simon simply says, "jump," *without* first saying "Simon says," players must not jump. Those that do jump must take a step backwards.

### Week #8

**God provides for us and fills us up. Let's fill up a bucket.** Take two buckets, boxes or small trash cans. Fill one up with medium size objects ( beanie babies, tennis balls, Tupperware, toys) Now set a chair in front of the two buckets and with your feet only move the objects from one bucket to the other making it full.

### Week #9

**Jonah was thrown into the whale or "big fish" by God. Let's play toss Jonah.** Draw a picture of a whale or print the one below and attach it to a box or empty trash can. Then gather items to toss. They can be bean bags, socks folded into a ball, small stuffed animals etc. Mark a line on the floor and see how many bean bags you can make into the whale.

Week #10

**Isaiah had a vision of God in the temple. Let's draw God in dry Jell-O or sand.** Sprinkle a box of dry Jell-O or some sand onto a cookie sheet. With your finger, draw a picture. Draw what you think God looks like. Then shake the tray to clear your picture and start again.

Week #11

**As we look for God in the world we must look carefully. Let's practice by playing Hide and Seek.** Pick 10 items. They could be plastic eggs, Hotwheels, hairbands, marshmallows, action figures. Anything you can hide well. Have someone hide them around the room, house or yard. And then see how fast you can find them.
